Museum at a Glance

The Museum of the Moving Image is the country's only museum dedicated to the art, history, technique, and technology of the moving image in all its forms. The Museum is a one-of-a-kind destination for audiences of all ages and interests, from connoisseurs of classic cinema to children and families to avid gamers.

Embracing a wide range of subjects, from 19th century optical toys to the latest in digital art, the Museum explores every phase of the production, promotion, and exhibition of moving images. It offers an engaging, highly interactive core exhibition, programs of contemporary and classic films from around the world, discussions with leading figures in film and television, a unique collection, inspiring educational programs for learners of all ages, stimulating changing exhibitions, and groundbreaking online projects.
