

## YOUR COMMITMENT WILL ENSURE THE STRENGTH OF OUR RA INTO THE FUTURE

To ensure the future of our RA for years to come, to provide for the support and care of future generations of Rabbis, we have launched the RA Morashah Legacy Society.

For more than a century, our Rabbinical Assembly has been at the forefront of our Conservative/Masorti Movement in strengthening the rabbinate and shaping Jewish life.

*I have always believed in the unique role that the RA plays in the lives of our rabbis and in our movement. When it comes to the personal, spiritual and professional needs of our rabbis, it is the RA that provides resources and support. My wife Rodi and I want to ensure that the RA is able to play this role for many years to come, so we have included a legacy gift in our estate planning.*

**THE RABBINICAL ASSEMBLY  
LEGACY SOCIETY**

Your commitment will endow and perpetuate the level of excellence that our colleagues and the community-at-large have come to expect from the Rabbinical Assembly.

Annual commitments and donations will not sustain our future. As time goes on, more and more of our budget will need to come from endowment or legacy funds. The Morashah Society secures our future, while giving our members the opportunity to create their legacy.

*The support, friendship, and guidance I've received through my involvement with the RA have made me a better rabbi, and certainly a happier one.*

*I'm proud to participate in our Morashah Legacy Society as an expression of gratitude for all that the Rabbinical Assembly does to care for its members and, by extension, to strengthen the Jewish people.*

**Rabbi Annie Tucker**

*A legacy gift **tells the story** of what is compelling to you.*

*Legacy giving does not require great wealth, only **great commitment**.*

*A legacy gift is a meaningful way to **support our RA** while accommodating your personal tzedakah and estate-planning goals.*

*A legacy gift may enable you to **give more** than you could give during your lifetime.*

There are many ways to leave a legacy gift. Talk to your financial advisor about what is best for you.

If you have already designated the Rabbinical Assembly in your estate plans, please let us know so we can include you in our Morashah Society.

If you would like to have a conversation about leaving a legacy, please contact Marv Goodman or Jonathan Schnitzer, the Co-Chairs of the Morashah Legacy Campaign, or Barb Gelb, our Senior Director of Development.
